

Blast off to Kindergarten!

Do you have a child attending Kindergarten in the Fall?

Don't let them fall behind over the summer!

This week long session will review concepts learned in pre-school and get your child back in the school mindset just in time for Kindergarten!

This week will be a FUN, educational way to help your child have the confidence they need to soar in kindergarten!!

Monday-Friday

9:00-2:30

July 16th-20th or August 6th -10th

Taught by

Heather Nelson Pre-K 4 Teacher

\$175 for a week session

In this one week session your child will engage in activities to promote skills such as:

- Sight word recognition
- Beginner reading skills
- Beginner writing skills

Build math skills- counting, sorting, simple addition, patterns

- Developing attention and listening skills

- Enrich problem solving skills to promote independence

-Build social and communication skills through games and activities

Continue their love for learning, because learning is meant to be FUN!

Car line drop off just like Kindergarten.

Outdoor play and a snack are included each day.

Limited space available!
