Flexible Enrollment

Families may select 1-5 scheduled days per week during enrollment. Scheduled enrollment offers a reduced weekly rate and reserves your child's space on those days.

Part time schedules (example: M/W/F care only) should remain consistent throughout the school year whenever possible.

Drop-in care is available for families who do not need a recurring schedule. Same-day emergency care may be booked by noon, subject to availability, or families may select multiple drop-in dates in advance for occasional or inconsistent care needs

Tuition is prepaid and billed weekly through Playground.

- Tuition is based on your child's enrolled schedule and is not adjusted for student absences or individually missed days.
- Tuition is not billed during full week holiday breaks such as Thanksgiving/Christmas & Spring break. Weeks with three scheduled school days or fewer are automatically prorated.
- No refunds or tuition credits are provided for school closures, planned holidays, student absences, or removal from the program due to violations of the A Team Enrichment Code of Conduct which can be found in our family handbook.
